Find Manuals. Manuals for historic Stoves products are listed below. You can search for a manual using the model description. The model description can be found on a white or silver data badge. For ovens, this badge is located on the bottom edge of the appliance or in the base of the pan storage drawer (high level models).

Find Manuals - Stoves

• Always leave this manual with the owner of the stove. • A carbon monoxide (CO) detector has been supplied with your stove. o. The CO Detector needs to be plugged in. o CO is colorless, odorless & tasteless gas that can be deadly if not monitored or detected properly. • Danger risk of fire or explosion. Do not ...

Installation, Operation and Maintenance Manual 90,000 BTU ...

The previous owners didn't have the manual and when we contacted Alaska Stoves they no longer had old manuals due to, ironically, a fire several years back and they lost any documents dating back to this stove. I thought i would be able to use a very safe method of determining fire proofing and installation, but the city needed to see actual specs.
