Britax Marathon Guidelines

Britax creates several different styles of car seats including infant, convertible and booster to accommodate different sizes of children. An infant car seat is only rear-facing and can fit children up to 35 pounds or 32 inches. The Marathon style has been on the market for many years and is strictly a convertible car seat, which means that it can change from rear-facing to front-facing as your child grows.

Britax Marathon Expiration: Know Car Seat And Their Laws

The use of non-Britax Child Safety, Inc. covers, inserts, toys, accessories, or tightening devices is not approved by Britax. Their use could cause this child seat to fail Federal Safety Standards or not perform as intended in a crash. Their use automatically voids the Britax warranty. Page 23 Notes
