Comparative Employment Relations An Introduction

The basic feature of labour law in almost every country is that the rights and obligations of the worker and the employer are mediated through a contract of employment between the two. This has been the case since the collapse of feudalism. Many contract terms and conditions are covered by legislation or common law. In the US for example, the majority of state laws allow for employment to be "at ...

Starting in the 1980s, personality psychology began a profound renaissance and has now become an extraordinarily diverse and intellectually stimulating field (Pervin & John, 1999). However, just because a field of inquiry is vibrant does not mean it is practical or useful—one would need to show that personality traits predict important life outcomes, such as health and longevity, marital ...

The Power of Personality: The Comparative Validity of Personality ...
