### Ford Mustang Models, Generations & Redesigns - Cars.com

The third-generation Mustang was produced by Ford from 1978 until 1993. Being built on Ford's Fox platform, it is commonly referred to as the Fox body Mustang. It evolved through several sub-models, trim levels, and drivetrain combinations during its production life. It underwent updates for 1987, and for a time seemed destined for replacement with a front-wheel drive Mazda platform.
