GEHL 1310 For Sale

Re: Reviews on Gehl

1310 Round Baler

Serial number higher than 18500 I definitely would not consider a fixed chamber baler for making balage because the spoilage will be very high and they definitely won't hold their shape making them extremely difficult to handle.

Re: Gehl 1310 round baler I might add, if the head appears worn out where it attaches to the baler, or if the rods that hold the pickup fingers seem loose, neither is a terribly 'expensive' fix, if you do the work yourself.
