10 Benefits of Gender Equality in the Workplace (International Women's ...

Women's rights are the rights and entitlements claimed for women and girls worldwide. They formed the basis for the women's rights movement in the 19th century and the feminist movements during the 20th and 21st centuries. In some countries, these rights are institutionalized or supported by law, local custom, and behavior, whereas in others, they are ignored and suppressed.

Women's rights - Wikipedia

No Woman Should Die Giving Birth: Maternal Mortality in Sierra Leone, Amnesty International, via CultureUnplugged.com . Back to top. Women and children: the double dividend of gender equality. The above title comes from UNICEF's 2007 report on state of the world's children where they focus on the discrimination and disempowerment women face throughout their lives and how that impacts ...

Women's Rights — Global Issues

Gloria Steinem, world-renowned feminist, journalist and activist once explained "The story of women's struggle for equality belongs to no single feminist, nor to any one organization, but to the collective efforts of all who care about human rights." So make International Women's Day your day and do what you can to truly make a positive ...

IWD: About International Women's Day

Gender and sexual equality. We all have the right to be treated equally, no matter our sexual orientation or gender identity. Despite recent wins for equality around the world, in many countries - including Australia - the right to express our sexuality is still being challenged. 76 countries criminalise sexual acts between adults of the ...
