Mrs.

The term "Mrs." originated to refer specifically to married women, but some women prefer to keep the "Mrs." in their names even after divorce and particularly if they're widowed. It's not safe to assume that all women using "Mrs." as a title have a current or living spouse, nor is it safe to look for a wedding ring.

When do you use Ms.? While Mrs. does refer to a married woman, according to The Emily Post Institute, Ms. is the proper way to address a woman regardless of marital status. This term alleviates any guesswork. Miss is often used to address an unmarried woman, presumably a girl under the age of eighteen-years-old. However, Miss also derives from mistress, so it may be best to avoid that one in ...
