Modernization and Revolution in China is an excellent example of good writing © 1998 by University of Hawai'i Press, based on sound scholarship in the genre of introductory texts to the study of modern China. Its focus--as its title implies--is the transformation of Chinese society during the last two centuries.

Modernization and Revolution in China (review), China ...

The Four Modernizations were first proposed in December 1964 by Chinese Premier Zhou Enlai (in office from 1949 until his death in 1976) but were not immediately implemented, as the ideology of the Cultural Revolution (1966–76), launched by Chinese Communist Party (CCP) Chairman Mao Zedong, took precedence. They were reintroduced by Zhou at the Fourth National People's Congress in 1975 and supported by Deng Xiaoping, who was deputy premier at the time.

Four Modernizations | Summary & Facts | Britannica

By 1900 the leading revolutionary in China was Sun Yatsen (1866-1925), a man very different from previous Chinese reformers. Born to a peasant family in the Guangzhou region, Sun was educated in missionary schools in Hawaii and Hong Kong and developed a world view as much Western as Confucian.

Modernization and Revolution in China / Edition 4 by June ...

However, the path of modernization and market-oriented economic reforms that China started since the early 1980s appears to be fundamentally unchallenged. Even critics of China's market reforms do not wish to see a backtrack of these two decades of reforms, but rather propose corrective measures to offset some of the social issues caused by existing reforms.

Modernization and Revolution in China by Jay Corrin, June ...

Modernization theory is used to explain the process of modernization within societies. Modernization refers to a model of a progressive transition from a 'pre-modern' or 'traditional' to a 'modern' society. Modernization theory originated from the ideas of German sociologist Max Weber (1864-1920), which provided the basis for the modernization paradigm developed by Harvard sociologist ...
