Zanarkand \* and more.

### **Selections from Final Fantasy by Hal Leonard Corporation**

This book has a nice selection of songs across the Final Fantasy series, and I would say the difficulty is around an intermediate level. However, I took off one star because it seems that the songs were not written to perfectly match the Piano Selections you would get from the actual books published by Square Enix.

A large part of the fun in Role Playing Games like Final Fantasy XIV is deciding what your class and job will be. Firstly you'll need to pick a class and on a later level, you can decide to delve into a unique job. This creates an environment that supports trading between players since not everybody has access to the same craftables.
