State of Fear - Wikipedia

A novel such as State of Fear, in which so many divergent views are expressed, may lead the reader to wonder where, exactly, the author stands on these issues. I have been reading environmental texts for three years, in itself a hazardous undertaking. But I have had an opportunity to look at a lot of data, and to consider many points of view.

State of Fear: A Novel by Michael Crichton, Paperback ...

State of Fear is centered around a plot by eco-terrorists to bring world attention to global warming by, you guessed it, blowing up half the world. Yes, the nonsensical plot that makes up the spine of this book leaves the rest of this skeletal narrative in the hands of a man we've rarely seen: Michael Crichton, political philosopher.
