in it, though genuine, has grown as a result of circumstances rather than personal experience within the Lutheran school system.

Future of Christian Education | Lutheran Education Journal

Luther's ideas soon coalesced into a body of doctrines called Lutheranism. Powerful supporters such as princes and free cities accepted Lutheranism for many reasons, some because they sincerely supported reform, others out of narrow self-interest (many German princes, hoping to subordinate a German national church to the authority of the sovereign states and thus further consolidate their power).
