## File Type PDF The Practice Of Liberal Pluralism

Gray and others, Galston argues that value pluralism undergirds a kind of liberal politics that gives great weight to the ability of individuals and groups to live their lives in accordance with their deepest beliefs about what gives meaning and purpose to life.

### **Liberal Pluralism: The Implications of Value Pluralism for**

...

Pluralism is a political philosophy holding that people of different beliefs, backgrounds, and lifestyles can coexist in the same society and participate equally in the political process. Pluralism assumes that its practice will lead decision-makers to negotiate solutions that contribute to the “common good” of the entire society.

...

The Practice of Liberal Pluralism operates an interesting synthesis on this point. Galston defines himself as a liberal pluralist such as Berlin, but although he acknowledges that conflict between values can be tragic, he minimizes this aspect in the following discussions, and considers the possibility of having prima facie duties (cf. the discussion on his rejection of moral particularism).
